**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition in broadband. Please do not allow the few major corporations to push out the smaller, local internet service providers. Loss of competition will hurt me as a small business with a loss of competitive choices in my area. Thank you for keeping the internet competitive for all companies who wish to operate in this business.
